Attachments Checklist (all attachments must be legible to permit them to be assessed)

- Two (2) copies of a Site Plan, drawn to scale not less than 1:100, showing the food premises location, waste storage area, car parking, staff and public toilet facilities, and adjacent land uses.
- Two (2) copies of a Floor Plan, drawn to scale not less than 1:50, showing details of the layout of all equipment, fixtures and fittings, from a bird's eye-view (see back page for an EXAMPLE FLOOR PLAN). Plans or supporting documentation must include:
 - ✓ Floor, wall and ceiling surface finishes, including colours
 - ✓ Bench surface finishes, including colours
 - ✓ Sinks, include location, dimension, tap-ware and proposed use (e.g. hand wash basin, food preparation sink, wash up sink/s)
- Two (2) copies of Sectional Elevations of the fit out of the premise, drawn to a scale of not less than 1:50, showing a side-on view of the internal walls of the premises, indicating heights of equipment, fixtures and fittings. Note: Photographs may be acceptable for existing premises.
- Certification (Form 16) by a suitably qualified person, which states that any mechanical ventilation is/has, been designed, constructed, installed, certified and is operating in compliance with AS/NZS 1668.1:1998 The use of ventilation & air-conditioning in buildings - Fire & smoke control in multi-compartment buildings & AS/NZS 1668.2:2012 The use of ventilation and air-conditioning in buildings - mechanical ventilation in buildings.
- Copy of statement of attainment from a Registered Training Organisation, showing the nominate Food Safety Supervisor has completed the competencies required by Qld Health.
- If, under section 99 of the *Food Act 2006*, the applicant must have an accredited food safety program for the food business, the proposed food safety program must accompany this application. This is also to be accompanied by Notice of Written Advice from an approved auditor in accordance with sections 56 and 103 of *Food Act 2006* or payment of the relevant fee for accreditation of this program, if not submitted with written advice. Please note that submission of a Food Safety Program with this application is deemed to be submission for accreditation (even if not required under section 99).
- Menu

Application Checklist

Review the Attachment checklist, and ensure all attachments are supplied; failure to supply a complete application, with all supporting documents will directly impact on the assessment time frame.

If you are unsure you have all the correct information for the application, contact an Environmental Health Officer for advice.

- Have you indicated the appropriate Food Licence you are applying for?
- Have you completed the Applicants details, ensure you correctly nominate the individual or entity to hold, be responsible for this Licence.
- Provided relevant approvals and permit numbers? It is the applicant's responsibility to source all the other relevant approvals and permits.
Whilst you may be compliant with *Food Act 2006*, by having sufficient sinks in you premises but you may be breaching the *Plumbing and Drainage Act 2002* if you installed without plumbing Approval.
- Have you accurately provided the proposed, premises details and its street location? This information is important and needs to be accurate as it will be place on any granted licences.
- Have you indicated the premises type, commercial, temporary or domestic? This is important and will relate back to the assessment of the submitted floor plans, to ascertain if the proposed food handling activities can be safely produces within the proposed premises.
- Have you indicated all your proposed food handling activities? You can tick more than one.
- Have you attached a proposed or actual menu? This is important as the suitability of the premises, person and the proposed activities can be assessed. Depending on the types of activities proposed and the state of the food premises, restricted or conditional Food Licences may be issued.
- Have you accurately indicates the hours of operation? This will assist with food safety inspections and suitability of the premises.
- Have you indicated the Food Safety Supervisor along with providing the supporting certificate of completion? If you do not have one yet, or are awaiting the training, please indicate within the application of your intention. You are allowed an additional 30 days, after a Food Business Licence has been issued to provide this information.
- Have you indicated the applicants skills and knowledge and experiences in food handling and food safety?
- Have you accurately completed these legislative questions?
