

21/22 TWO-PART WATER TARIFF NOTICE

Western Downs Regional Council wishes to notify its customers of amendments to its water pricing structure with the utilization of a two-part water tariff across all water supply schemes to offer a common pricing strategy to all communities.

An annual supply charge of **\$466.90** per connection, **Part A** of the two-part tariff, is charged through the bi-annual rates notice.

Part B is the dollar amount calculated on the quantity of water consumed as stated in the standard consumption charges below and as charged through the bi-annual water bill.

The two-part tariff applies from 1 July 2021 and will apply to water consumption in the 2021/2022 financial year.

Standard Consumption Charges

Bi-annual consumption **up to 125kL** will be charged at **\$2.02 (per kilolitre)**.

Further Bi-annual consumption of **126kL to 250kL** will be charged at **\$2.70 (per kilolitre)**. Further

Bi-annual consumption of **251kL to 15,000kL** will be charged at **\$3.35 (per kilolitre)**. Further Bi-

annual consumption **greater than 15,000kL** will be charged at **\$4.95 (per kilolitre)**.

The Communities of Jimbour, Kaimkillenbun, Kogan, Meandarra, Moonie, The Gums and Westmar which receive non-potable water will be charged 90% of the standard consumption charges above.

The Communities of Brigalow, Dulacca, Flinton and Glenmorgan which receive untreated surface water will be charged 75% of the standard consumption charges above.

The above published fees and charges are effective from 1 July 2021. No GST applicable.
