Notes

Note 1: The Urban Area does not imply that all land included is suitable for development that is otherwise consistent with the Area

Note 2: The Future Urban Area is an indicative representation of preferred future Urban Area beyond the planning horizon of the Western Downs Planning Scheme and is not intended to convey any real or implied land use rights. The Future Urban Area must be subject to further detailed land use investigations to determine suitability for urban development and if suitable must be developed in a logical and orderly sequence.

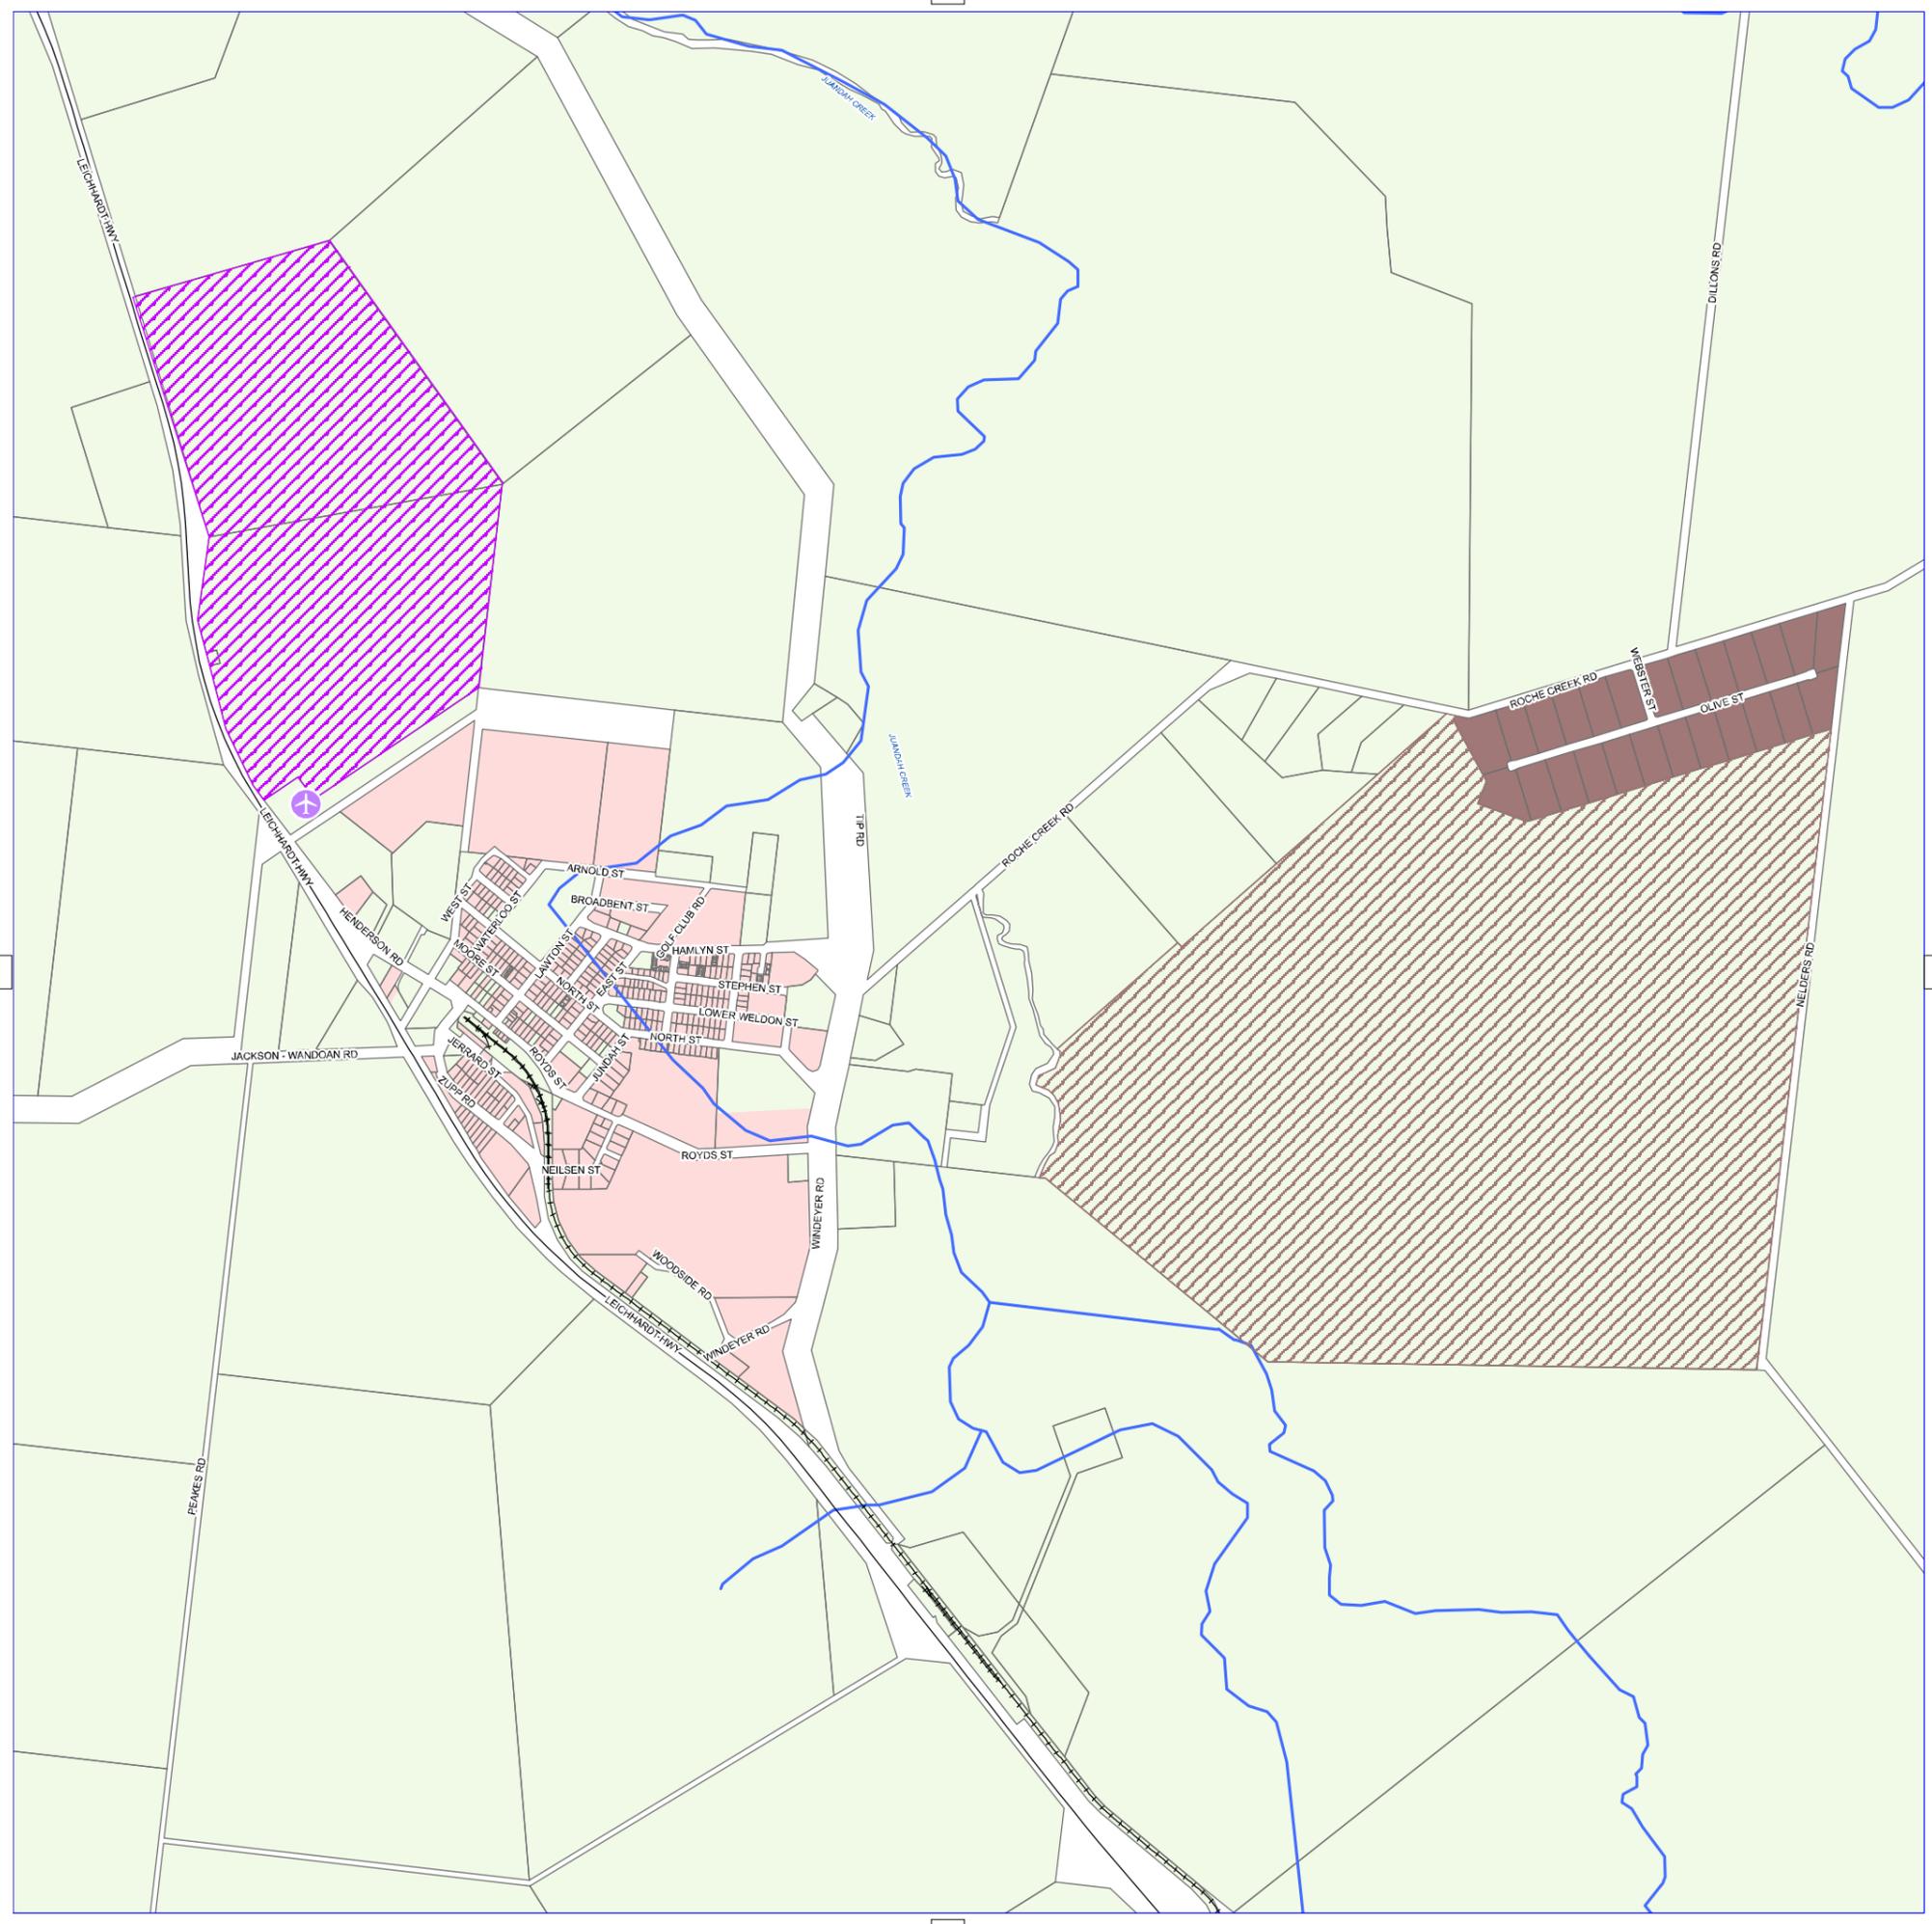

Note 3: Investigation Areas indicate potential future growth areas, subject to further detailed land use investigation and are not intended to convey any real or implied land use rights or confirm intent for development of the type stated.

Note 4: The Rural Area includes land the subject of other values including those values identified in Strategic Framework Maps 2-4.

Note 5: The Conservation Area includes land that is owned by the State Government for conservation purposes such as protected Areas.
