17.9. The Parties further acknowledge that this Agreement does not restrict (and is intended not to restrict) Council's ability or entitlement to draw upon the Bankers Undertaking.

17.10. Accordingly, Council may draw upon the Bankers Undertaking:

17.10.1. without the necessity to satisfy any precondition or to notify the Proponent of its intention to make the draw;

17.10.2. irrespective of any dispute under this Agreement;

17.10.3. irrespective of any setoff or other entitlement the Applicant possesses against it;

The Council may not draw upon the Bankers' Undertaking if the draw would be fraudulent.

Substitution of Security

17.11. Council may require the Proponent to replace the Bankers Undertaking that Council holds, with a substitute Bankers Undertaking issued by a different Bank, if:

17.11.1. the long-term credit rating of the Issuing Bank falls below the Minimum Strength Rating; or

17.11.2. Council considers (acting reasonably) that a change in control of the Issuing Bank will result in an undue concentration of financial risk with the Issuing Bank, having regard to other securities that that Bank has issued to Council concerning dealings (with any persons) to which Council is party; or

17.11.3. the Issuing Bank ceases to maintain an office or branch in Council's local government area that is open for business upon all Business Days.

The Proponent must comply promptly with a Council notice for this Clause, in Default of which Council may draw the whole of the sum secured by the Bankers Undertaking it holds.

17.12. However, Council is not obliged to make the Default draw, nor does the draw entitlement limit its entitlements at law arising from the Default.

17.13. The Council notice must afford the Proponent a reasonable period within which to provide the substitute security.

Cancellation of Security

17.14. When the requirements of Clause 7 have been satisfied, and (if applicable) the Cost that it has incurred in ensuring their satisfaction has been drawn against the Bankers Undertaking, Council must return the Bankers Undertaking to the Proponent or to the Issuing Bank.

18. Confidentiality

18.1. This agreement is a public document, and its terms are not confidential.

18.2. The parties acknowledge that:

18.2.1. Confidential Information may have been supplied to some or all the Parties in negotiations leading up to the making of this agreement; and

18.3. Subject to clause 18.1, each Party agrees:

18.3.1. not to disclose any Confidential Information received before or after the making of this agreement to any person without the prior written consent of the Party who supplied the confidential information; and

18.3.2. to take all reasonable steps to ensure all confidential information received before or after the making of this agreement is kept confidential and protected against unauthorised use and access.

18.4. A Party may disclose confidential information in the following circumstances:

18.4.1. to comply with the law, or the requirements of any Authority; or

18.4.2. to any of their employees, consultants, advisers, financiers, or contractors to whom it is considered necessary to disclose the information, if the employees, consultants, advisers, financiers, or contractors undertake to keep the Confidential Information confidential.

18.5. The obligations of confidentiality under this clause do not extend to information which is public knowledge other than because of a breach of this clause.

19. Disposal by the Proponent of its interest in the Development

19.1. The Council agrees that the Proponent may assign, transfer, or otherwise deal with the Proponent's rights, duties, or obligations under this agreement to:

19.1.4. to the Proponent's financiers,

subject to:

a. Council acting reasonably and not unreasonably withholding or delaying its consent; and

- b. in respect of an assignment under clauses 19.1.1 to 19.1.4, the Proponent proving to the reasonable satisfaction of the Council that such party (**Assignee**) is able to comply with the Proponent's obligations pursuant to this agreement and which has sufficient industry experience in renewable energy projects or other similar infrastructure projects, and further, subject to the Assignee entering into a deed of novation of this agreement with the Council to ensure that the Assignee is bound by the terms of this Agreement, including providing the Security noted in this Agreement and replacing the current Bankers' Undertaking with a substitute Bankers Undertaking from the new Proponent.

19.2. In the event of the Proponent assigning the Proponent's rights and obligations under this agreement, the Proponent shall be released and discharged from any obligations under this agreement on and from the date of the assignment and the performance of the terms of this agreement from the date of the assignment and from all claims and demands in connection with this agreement that arise after the date of the assignment, provided always that the Proponent is responsible for any action claim or demand with respect of the performance of this agreement for any period prior to and including the date of the assignment.

19.3. Any consent given by the Council pursuant to this clause shall not entitle the Proponent to any refund or other payment of any money expended or paid pursuant to this agreement.

- 26.2.2. the exercise by Council of any statutory power, discretion, or duty.
- 26.3. Nothing in this Agreement shall be construed as requiring Council to do anything that would cause it to be in breach of any of its obligations at law.

27. Severability

- 27.1. If a clause or part of a clause of this Agreement can be read in a way that makes it illegal, unenforceable, or invalid, but can also be read in a way that makes it legal, enforceable, and valid, it must be read in the latter way.
- 27.2. If any clause or part of a clause is illegal, unenforceable, or invalid, that clause or part is to be treated as removed from this Agreement, but the rest of this Agreement is not affected.
- 27.3. If this Agreement becomes illegal, unenforceable, or invalid because of any change to a law, the Parties agree to do all things necessary to ensure that an enforceable agreement of the same or similar effect to this Agreement is entered into.

- 29.2. A waiver by a Party is only effective if it:
- 29.2.1. is in writing;
- 29.2.2. is addressed to the Party whose obligation or breach of obligation is the subject of the waiver;

- 29.5. For the purposes of this Agreement, an obligation or breach of obligation the subject of a waiver is taken not to have been imposed on, or required to be complied with by, the Party to whom the waiver is given.
