**For the period ended 30 June 2025**

## **1. Basis of Financial Statement Preparation**

### **(a) General Information about the Reporting Entity**

These financial statements cover the Wambo Shire River Improvement Trust (the Trust). The Trust is a not-for-profit statutory body established under the *River Improvement Trust Act 1940*. The Trust does not control other entities. The financial statements include the value of all revenue, expenses, assets, liabilities and equity for the trust as an individual entity.

The objective of the Trust is to carry out works designed to improve the flow of water in the rivers and tributaries within the Shire of Wambo to correct erosion and provide flood mitigation. The Trust operates primarily from the offices of the Western Downs Regional Council at 30 Marble Street, Dalby, QLD, 4405.

### **(b) Compliance with Prescribed Requirements**

The financial statements have been prepared in compliance with the *Financial Accountability Act 2009* and the *Financial and Performance Management Standard 2019*.

These general purpose financial statements are prepared in accordance with the disclosure requirements of Australian Accounting Standards - Simplified Disclosures. The financial statements comply with the recognition and measurement requirements of all Australian Accounting Standards and Interpretations applicable to not-for-profit entities, and the presentation requirements in those standards as modified by AASB 1060.

### **(c) Underlying Measurement Basis**

The financial statements are prepared on an accrual basis, with the exception of the statement of cash flows which is prepared on a cash basis.

The historical cost convention is used as the measurement basis except for infrastructure assets, which are measured at fair value.

### **(d) Presentation Matters**

#### Currency and Rounding

Amounts included in the financial statements are in Australian dollars. Amounts are rounded to the nearest dollar.

#### Comparatives

Comparative information reflects the audited 2023-24 financial statements.

#### Current/Non-Current Classification

Assets are classified as 'current' where their carrying amount is expected to be realised within 12 months after the reporting date. Liabilities are classified as 'current' when they are due to be settled within 12 months after the reporting date, or the Board does not have an unconditional right to defer settlement to beyond 12 months after the reporting date. All other assets and liabilities are classified as non-current.

**Wambo Shire River Improvement Trust**  
**Notes To and Forming Part of the Financial Statements**  
**For the period ended 30 June 2025**

**(e) Taxation**

The Trust is exempt from income tax under the Income Tax Assessment Act 1936 and is exempt from other forms of Commonwealth taxation with the exception of Fringe Benefits Tax (FBT) and Goods and Services Tax (GST).

Receivables and payables in the Balance Sheet are shown inclusive of GST. GST credits receivable from, and GST payable to, the ATO at reporting date are separately recognised in payables within Note 9.

**(f) Key Accounting Estimates and Judgements**

The most significant estimates and assumptions made in the preparation of the financial statements related to the fair value and depreciation of Property, Plant and Equipment. Details are set out in Note 8. The valuation of property, plant and equipment necessarily involves estimation uncertainty with the potential to materially impact on the carrying amount of such assets in the next reporting period.

**(g) New and Revised Accounting Standards**

*First time mandatory application of Australian Accounting Standards and Interpretations*

No new accounting standards were applied for the first time during 2024-25

*Early adoption of Australian Accounting Standards and Interpretations*

No accounting pronouncements were early adopted in the 2024-25 financial year.

*Voluntary changes in accounting policy*

No voluntary changes in accounting policies occurred during the 2024-25 financial year.

**(h) Authorisation of Financial Statements for Issue**

The financial statements are authorised for issue by the Chairman and Secretary at the date of the signing of the Management Certificate.

Precept Income	50,000	-
In Kind Assistance Received	8,096	9,130
<b>Total</b>	<b><u>111,596</u></b>	<b><u>22,786</u></b>

Precept payments are received on an annual basis from the Western Downs Regional Council.

Grants, contributions, donations and gifts that are non-reciprocal in nature (i.e. do not require any goods or services to be provided in return) are recognised as revenue in the year in which the Trust obtains control over them at the time of receipt.

Where the grant agreement is enforceable and contains sufficiently specific performance obligations the grant can be accounted for under *AASB 15 Revenue from Contracts with Customers* or *AASB 1058 Income for Not for Profit Entities*. In these cases, revenue is initially deferred as unearned revenue (contract liability) and recognised as or when the performance obligations are satisfied.

Where a grant agreement does not meet the criteria mentioned above it is recognised as income upon receipt of the grant funding.

Asset Acquisition

Actual cost is used for the initial recording of all non-current physical asset acquisitions. Cost is determined as the value given as consideration plus costs incidental to the acquisition, including freight in, architects' fees, establishment costs and engineering design fees.

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense.

Each class of property, plant & equipment is stated at cost or fair value less, where applicable, any accumulated depreciation.

**Wambo Shire River Improvement Trust**  
**Notes To and Forming Part of the Financial Statements**  
**For the period ended 30 June 2025**

## **7. Property, Plant & Equipment continued...**

### Recognition of Property, Plant and Equipment

Assets are initially recognised at cost. Site Improvements are measured at fair value through revaluations after initial recognition, whilst works in progress is measured at cost. Assets measured at fair value are revalued so that the carrying amount of the asset does not differ materially from its fair value.

Items of property, plant and equipment with a cost or other value equal to or in excess of the following thresholds are recognised for financial reporting purposes in the year of acquisition:

Site Improvements	\$10,000
-------------------	----------

Items with a lesser value are expensed in the year of acquisition. Expenditure is only capitalised if it increases the service potential or useful life of the existing asset. Maintenance expenditure that merely restores original service potential (arising from ordinary wear and tear etc.) is expensed.

### Revaluation of Non-Current Physical Assets

Site Improvements are measured at fair value in accordance with AASB 116 Property, Plant and Equipment, AASB 13 Fair Value Measurement and Queensland Treasury's Non-Current Asset Policies for the Queensland Public Sector. These assets are reported at their revalued amounts, being fair value at the date of valuation, less any subsequent accumulated depreciation and impairment losses where applicable.

The fair values reported by the Trust are based on appropriate valuation techniques that maximise the use of available and relevant observable inputs and minimise the use of unobservable inputs.

Any revaluation increment arising on the revaluation of an asset is credited to the appropriate class of the asset revaluation surplus, except to the extent it reverses a revaluation decrement for the class previously recognised as an expense. A decrease in the carrying amount on revaluation is charged as an expense to the extent it exceeds the balance, if any, in the revaluation surplus of that asset class.

The cost of assets acquired during the financial year have been judged by management to materially represent their fair value at the end of the reporting period.

### Impairment

All non-current physical assets are assessed for indicators of impairment annually. If an indicator of possible impairment exists, the Trust determines the asset's recoverable amount. The asset's recoverable amount is determined as the higher of the asset's fair value less costs to sell and depreciated replacement cost. Any amount by which the asset's carrying amount exceeds the recoverable amount is recorded as an impairment loss.

## **7. Property, Plant & Equipment continued...**

### Depreciation

Depreciation on site improvements is calculated on a straight-line basis so as to write-off the net cost or revalued amount of each depreciable asset, less its estimated non-depreciable value, progressively over its estimated useful life to the Trust.

Site Improvements are depreciated at rates between 1.25% and 2.5%.

Any expenditure that increases the originally assessed capacity or service potential of an asset is capitalised and the new depreciable amount is depreciated over the remaining useful life of the asset to the Trust.

## **8. Fair Value**

The Trust recognises the following asset class at fair value:

- Site Improvements

The Trust does not measure any liabilities at fair value on a recurring basis.

The carrying amounts of trade receivables and trade payables are assumed to approximate their fair values due to their short-term nature.

In accordance with AASB 13 fair value measurements are classified into three levels as follows:

**Level 1** - fair value based on quoted prices (unadjusted) in active markets for identical assets or liabilities.

**Level 2** - fair value based on inputs that are directly or indirectly observable, such as prices for similar assets.

**Level 3** - fair value based on unobservable inputs for the asset or liability.

### Site Improvements (Level 3)

Site improvements have been valued using the cost approach.

Fair values were determined by an independent registered valuer, Australis. Who undertook a desktop valuation effective 31 March 2025.

The valuer utilised the cost approach to determine the fair values of assets. Inputs for the replacement cost included observable and unobservable sources such as construction guides, sector indices and discussions with local contractors and suppliers.

**11. Financial Instruments**

*Recognition*

Financial assets and financial liabilities are recognised in the Statement of Financial Position when the Trust becomes party to the contractual provisions of the financial instrument.

*Classification*

Financial instruments are classified as follows:

- Cash and Cash equivalents
- Receivables
- Payables

	2025	2024

## INDEPENDENT AUDITOR'S REPORT

To the Board of Wambo Shire River Improvement Trust

### Report on the audit of the financial report

#### Opinion

I have audited the accompanying financial report of Wambo Shire River Improvement Trust.

The financial report comprises the statement of financial position as at 30 June 2025, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements including material accounting policy information, and the management certificate.

In my opinion, the financial report:

- a) gives a true and fair view of the entity's financial position as at 30 June 2025, and its financial performance and cash flows for the year then ended
- b) complies with the *Financial Accountability Act 2009*, the Financial and Performance Management Standard 2019 and Australian Accounting Standards – Simplified Disclosures.

#### Basis for opinion

I conducted my audit in accordance with the *Auditor-General Auditing Standards*, which incorporate the Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report.

I am independent of the entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including independence standards)* (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code and the *Auditor-General Auditing Standards*.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### Responsibilities of the entity for the financial report

The Board is responsible for the preparation of the financial report that gives a true and fair view in accordance with the *Financial Accountability Act 2009*, the Financial and Performance Management Standard 2019 and Australian Accounting Standards – Simplified Disclosures, and for such internal control as the Board determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

The Board is also responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless it is intended to abolish the entity or to otherwise cease operations.

### **Auditor's responsibilities for the audit of the financial report**

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of my responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at:

[https://www.auasb.gov.au/auditors\\_responsibilities/ar4.pdf](https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf)

This description forms part of my auditor's report.

### **Report on other legal and regulatory requirements**

#### **Statement**

In accordance with s.40 of the *Auditor-General Act 2009*, for the year ended 30 June 2025:

- a) I received all the information and explanations I required.
- b) I consider that, the prescribed requirements in relation to the establishment and keeping of accounts were complied with in all material respects.

#### **Prescribed requirements scope**

The prescribed requirements for the establishment and keeping of accounts are contained in the *Financial Accountability Act 2009*, any other Act and the Financial and Performance Management Standard 2019. The applicable requirements include those for keeping financial records that correctly record and explain the entity's transactions and account balances to enable the preparation of a true and fair financial report.
