GRANTS & FUNDING

Individual Excellence Program

Are you an individual excelling at a national or international level in your chosen academic, cultural, recreation, or sporting field? The Individual Excellence Program may be able to assist you towards the costs of participating.

Funding can assist individual competitors or teams who are:

- 🌐 Selected in a Queensland team to compete at a national level event.

Example: A local clay target shooter is selected for the Queensland team to shoot at the National titles in Melbourne.

- 🌐 Selected in an Australian team to compete at an international level event.

Example: Jo Smith was selected to

represent Australia at the International Science Olympiad to be held in America.

The Individual Excellence Program also supports our local High Schools to acknowledge the achievement of the Dux Award recipient of their school through a cash prize. Local High Schools can apply online.

Guidelines can be found on Council's website:
