DISCOUNT FOR PROMPT PAYMENT

Notice is hereby given that the current rates and charges levied on this notice by the Western Downs Regional Council by virtue of the *Local Government Act 2009*, on the land described, for the period on the rates notice, are due and payable on or before the due date. All arrears and interest are due and payable immediately. A discount will only be allowed on the current levy if all rate arrears and current rates and charges are paid in full on or before the due date printed on this notice.

INTERNATIONAL CHEQUES

Recent changes mean that WDRC can no longer accept foreign cheques. Should you need to pay Council from an international account please contact Council's Financial Planning Department on 1300 268 624 or email info@wdrc.qld.gov.au.

INTEREST ON OVERDUE RATES

Interest on overdue rates and charges shall be charged at a rate which will encourage the prompt payment of rates and charges. Compounding interest will be charged at the maximum allowed rate under Section 133 of the *Local Government Regulation 2012*. Interest will apply to all rates and charges which remain unpaid 30 days after the due date specified on the Rates Notice.

CREDIT BALANCES

If a payment is received by Council against this Rates Notice which exceeds the amount of this Rates Notice, then the additional amount may be applied against the overdue amount of any Water Notice issued to the ratepayer for this property.

PENSIONER REMISSIONS

Eligible pensioners may be entitled to receive a Council and State concession on certain rates and charges. Applications for Pensioner Remissions close on the discount date of each period.

CHANGE OF ADDRESS

It is the responsibility of the property owner to notify Council of any address changes. You can contact Council by phoning 1300 268 624, emailing your new details to info@wdrc.qld.gov.au or visiting a Customer Service Centre.

OBJECTION AGAINST CATEGORISATION

Pursuant to the *Local Government Regulation 2012*, residents are hereby notified:

- › If you consider that, as at the date of issue of the Rates Notice, your land should have been included in another category you may object. To lodge an objection to categorisation of your land with Council, a Notice of Objection form must be received within 30 days of the issue date on the rates notice.
- › If the owner's land is included in another rating category because of an objection, an adjustment of rates will be made.

It is **important** to note that lodging an objection **does not** confer a right to delay payment of rates set out on the rates notice. Payment is still a requirement on or before the due date. Should Council uphold any objection, rates will be adjusted and a refund sent to the ratepayer where applicable.

Council recommends you review the particulars of your rates and charges carefully. If you consider they are incorrect, Council can investigate the current Rate Notice only. To further your enquiry please contact Council.

ALL ARREARS ARE DUE AND PAYABLE IMMEDIATELY. PAYMENT OF THE CURRENT LEVY AND ARREARS MUST BE MADE IN FULL BY THE DUE DATE TO RECEIVE DISCOUNT.

OBJECTION AGAINST CATEGORISATION

Pursuant to the *Local Government Regulation 2012*, residents are hereby notified:

› *If you consider your land is in the incorrect rating category and should be in another category, you may object by completing and lodging an objection against categorisation with Council. If the form is received after the due date stated on the notice, the category change if approved, will take effect from the start of the next financial levy period.*

It is **important** to note that lodging an objection **does not** confer a right to delay payment of rates set out on the rates notice. Payment is still a requirement on or before the due date. Should Council uphold any objection, rates will be adjusted and a refund sent to the ratepayer where applicable.

Council recommends you review the particulars of your rates and charges carefully. If you consider they are incorrect, Council can investigate the current Rate Notice only. To further your enquiry please contact Council.

 - (c) some or all of the overdue rates or charges have been overdue for at least—
 - (i) generally—3 years; or
 - (ii) if the rates or charges were levied on vacant land or land used only for commercial purposes, and the local government has obtained judgment for the overdue rates or charges—1 year; or
 - (iii) if the rates or charges were levied on a mining claim—3 months.
- (2) The local government may, by resolution, decide to sell the land.
- (3) If the local government does so, the local government must, as soon as practicable, give all interested parties a notice of intention to sell the land.
- (4) A ***notice of intention to sell*** is a document, signed by the chief executive officer, stating—
 - (a) that the local government has, by resolution, decided under this section to sell land for overdue rates or charges; and
 - (b) the day on which the resolution was made; and
 - (c) the terms of the resolution; and
 - (d) a description of the location and size of the land, as shown in the local government's land record; and
 - (e) details of the overdue rates or charges for the land, as at the date of the notice, including details of the period for which the rates or charges have been unpaid; and

- (f) details of the interest that is owing on the overdue rates or charges, as at the date of the notice, including—
 - (i) details of the rate at which interest is payable on the rates or charges; and
 - (ii) a description of the way the interest is calculated; and
- (g) the total amount of overdue rates or charges and the interest, as at the date of the notice; and
- (h) a copy, or a general outline, of sections 141 to 144.

141 When procedures for selling land must start and end

- (1) This section applies if—
 - (a) a local government decides to sell land under this subdivision for overdue rates and charges and gives the registered owner of the land a notice of intention to sell the land; and
 - (b) the overdue rates or charges are not paid in full within—
 - (i) generally—3 months after the local government gives the notice of intention to sell the land; or
 - (ii) if the rates or charges were levied on a mining claim—1 month after the local government gives the notice of intention to sell the land.
- (2) The local government must start the procedures mentioned in section 142(4) for selling the land within 6 months after the local government gives the notice of intention to sell the land to the registered owner of the land.

- (1) This section sets out the procedures that a local government must follow when selling land for overdue rates or charges.
- (2) The local government must first offer the land for sale by auction.

 - (b) the full description of the land; and
 - (c) the full name and address of the purchaser of the land; and
 - (d) the purchase price of the land.
- (3) An ***appropriate form*** is a form approved by the registrar of titles for lodgement in the land registry to record the transfer of land to a purchaser.
- (4) After receiving the appropriate form, the registrar of titles must register the transfer of the interest of the registered owner to the purchaser free of all encumbrances.
