2023-2024 Annual SWIM Report (KPI Indicators only)

Results presented in below table were reported through the SWIM reporting system for period 1 July 2023 to 30 June 2024. The below results give a general overview of the water and sewerage operations of WDRC. While all care has been taken to ensure information is accurate, all information in this report is intended only as a guide. Please refer to qldwater's 'Fact or Furphy, making sense of water and sewerage services' factsheet for further information.

2023-2024 Annual SWIM Report (KPI Indicators only)

Results presented in below table were reported through the SWIM reporting system for period 1 July 2023 to 30 June 2024. The below results give a general overview of the water and sewerage operations of WDRC. While all care has been taken to ensure information is accurate, all information in this report is intended only as a guide. Please refer to qldwater's 'Fact or Furphy, making sense of water and sewerage services' factsheet for further information.
