Variations

Variations to residential water restrictions are subject to approval by Council's Infrastructure Services General Manager. Customers may apply for a Water Restriction Variation by contacting Council's Customer Contact Centre on **1300 COUNCIL**.

Breach of Watering Restrictions

Council will be enforcing Water Restrictions by conducting regular patrols to detect cases of non-compliance. Infringements are issued in accordance with Section 43 of the Water Supply (Safety and Reliability) Act 2008, with fines applicable to both individuals and corporate customers. Council reserves the right to issue fines with penalties set in accordance with the State Penalties Enforcement Regulation 2014. To report a breach of the current Water Restrictions contact Council's Customer Contact Centre by phoning **1300 COUNCIL**.
