

Roadmap to Development

RM6 – Request to Extend

STEP 1:

Talk to a Council Town Planner about extending your approval.

Request a free pre-lodgement meeting and find out:

- When does the current Development Permit expire?
- Will Council consider an extension?
- What is the application fee?

STEP 2:

Make a Request to Extend application with Council.

Have you:

- Considered the pre-lodgement meeting advice?
- Filled out the application form correctly?
- Included written consent from all Land Owners? (e.g. Mr Smith AND Mrs Smith)
- Provided justification for the extension request?
- Paid the application fee?

STEP 3:

Receive your Decision Notice from Council.

Council will issue a Decision Notice within 20 business days after receiving your application.

STEP 4:

You have an approval! What now?

- Have you read and understood the Decision Notice?
- How much additional time do you have to complete the development?
- Are there Conditions of approval to comply with?
- Do you need to pay Infrastructure Charges?
- Do you need other approvals such as;
 - Operational Work?
 - Building Work?
 - Plumbing and Drainage?
