

Western Downs (COVID-19) Recovery Package

FOR BUSINESS

Accelerated Major Projects Program

Council has committed funding for the detailed design of 11 major projects across the region. Over \$17 million has also been allocated to fund 50% of construction costs and Council will apply for co-funding of the remaining 50% from State and Government funding following completion of detailed design works. As these projects are subject to co-funding no construction timeframes can be provided at this stage.

Local Supplier Database:

We encourage LOCAL businesses interested in working with us to register their details by completing the online Registration for Local Supplier Database form accessible on www.wdrc.qld.gov.au/doing-business/doing-business-with-council/

Panel Arrangement:

You can contact Council, now or into the future, to apply to be considered as part of the Panel Arrangements. For more information and a Panel Arrangement Fact Sheet visit our website on www.wdrc.qld.gov.au/doing-business/doing-business-with-council/
